Check-in process

Before participating in a test drive, you must complete the check-in process, which includes the following:

- Present a valid driving license.
- Sign the event's rules & regulations document.

Once check-in is completed, you will receive a bracelet confirming you are authorized to take part in test drives. The bracelet must be worn in order to drive any vehicle.

During the test drive, a representative from the car manufacturer will accompany you for the entire duration of the session. Enjoy!
